Bachelor of Science in Oriental Medicine (BSOM)

The Bachelor of Science program in Oriental Medicine provides students with complete training in medical science, acupuncture, Oriental Medicine and herbology theories foundation necessary for studying the Master of Science in Oriental Medicine which prepare students to become qualified practitioners in Acupuncture, Herbologist or Oriental Medicine. Students will practice of breathing exercise, Qi Gong, and Chinese hand manipulation therapy technique, Tuina, and acupressure.

Upon completion of the Bachelor of Science in Oriental Medicine, students are prepared for assistant or management careers at an Acupuncture clinic and practice Tuina and acupressure to help patients relieve pains and discomfort. Students are also prepared to advance their education to the bachelor level of the Oriental medicine or to the Master of Science in Oriental Medicine which will qualify students upon completion to sit for California Acupuncture License Exam (CALE). Students should note that performing acupuncture or the needling on human body is only permitted with a valid acupuncturist license which is only issued to practitioners who successfully pass CALE. Students may refer to the section on the academic program information of the “Master of Science in Oriental Medicine” in this Catalog and the website of California Acupuncture Board, www.acupuncture.ca.gov for further detail on licensing and requirements.

Admission Requirements:

Students desiring admission to the Bachelor of Science in Oriental Medicine program with concentration in Oriental Medicine must meet the following requirements:

1. Completed their high school education or G.E.D. with a minimum G.P.A. of 2.0 or better.
